Subject: RE: Small Business Exemption as a Glider Vehicle Assembler

Mr. Healy:

I currently only have 1 employee but I'm going to hire my past employees back as soon I know for sure that I can get a builders code.

Also I want to thank you so very much for such a quick response.

Ben,

I have one question. You only show one employee yet your company assembles quite a few gliders every year. The employee count should include employees of Ponderosa Heavy Duty Trucks Inc as well as any associated businesses. Is the employee total of one correct? You can have up to 1500 employees and still qualify for the small business exemption.

Thanks
